## WARRANTY ENHANCEMENT NOTIFICATION – ZG1

Dear Toyota Prius and Highlander HV Owner:

At Toyota, we are dedicated to providing vehicles of outstanding quality and value. As part of our continual efforts to ensure customer satisfaction, Toyota would like to advise you of an enhancement to portions of your Toyota's New Vehicle Limited Warranty. Toyota has received some reports where various brake system related warning lamps illuminate due to internal malfunctions of the Brake Actuator assembly.

**Please Note:** The warning lights can be triggered due to conditions detected not specific to the brake actuator assembly. These additional conditions may require diagnosis or repairs not specifically covered by this Warranty Enhancement. Please be aware that if the condition is not covered by this warranty enhancement, you may be responsible for the initial diagnostic fees and any other repairs you may decide to have performed. Any authorized Toyota Dealership can determine if a condition is covered by this Warranty Enhancement.

While the majority of vehicles will not experience this Brake Actuator condition, to assure you that we stand behind our product, we are offering the following New Vehicle Warranty Extension:
