

Category	Service Item	Details / Why It's Important	Est. Quantity to Purchase	Est. Part/Fluid Cost (USD)	Recommended Brand/Spec (or OEM Supplier)	Youtube Terms (for more info/DIY)	Status (Check when done)
I. Critical Hybrid System Maintenance	Inverter Coolant System Service	Inspect level/condition; Replace inverter coolant. Prevents overheating of expensive inverter. (Use Toyota SLLC)	~3 Liters (or 1 gallon)	\$30-\$50 (for coolant)	Toyota Super Long Life Coolant (SLLC) - Pink / Zerex Asian Vehicle Coolant (Pink)	Prius inverter coolant change, Prius inverter fluid flush	<input type="checkbox"/>
I. Critical Hybrid System Maintenance	Hybrid Transaxle Fluid Change	Drain and refill the hybrid transaxle fluid. Maintains optimal lubrication for electric motors & gearing. (Use Toyota WS)	~4 Quarts (or 4 Liters)	\$50-\$80 (for 4 quarts)	Toyota Genuine ATF WS (World Standard)	Prius transaxle fluid change, Prius transmission fluid flush	<input type="checkbox"/>
II. Engine & Drivetrain Maintenance	Spark Plug Replacement	Replace spark plugs. Ensures optimal combustion and fuel efficiency. (Toyota iridium plugs)	4 Plugs	\$50-\$100 (for 4 plugs)	DENSO SC16HR11 or NGK ILKAR7B11 (These are the OEM suppliers)	Prius spark plug replacement 2012, Prius engine tune-up	<input type="checkbox"/>
II. Engine & Drivetrain Maintenance	Engine Air Filter Replacement	Install new engine air filter. Essential for engine performance and longevity.	1 Filter	\$20-\$40	Toyota Genuine / DENSO, FRAM, K&N	Prius engine air filter change	<input type="checkbox"/>
II. Engine & Drivetrain Maintenance	Engine Coolant System Service	Inspect level/condition; Replace engine coolant. Prevents engine overheating. (Use Toyota SLLC)	~6-7 Liters (or 2 gallons)	\$30-\$50 (for coolant)	Toyota Super Long Life Coolant (SLLC) - Pink / Zerex Asian Vehicle Coolant (Pink)	Prius engine coolant flush, Prius radiator fluid change	<input type="checkbox"/>
II. Engine & Drivetrain Maintenance	Oil Change & Filter Replacement	Drain old oil, replace filter, refill with 0W-20 synthetic oil. Regular oil changes are key for engine health.	~4.4-4.5 Quarts (buy 5 quarts)	\$25-\$50 (for 5 quarts oil + filter)	0W-20 Full Synthetic (e.g., Mobil 1, Pennzoil Platinum, Castrol EDGE, Valvoline)	Prius oil change 2012, Prius synthetic oil	<input type="checkbox"/>
II. Engine & Drivetrain Maintenance	Accessory Drive Belt Inspection	Check for cracks, fraying, or wear. Prevents unexpected belt failure.	1 Belt (if replacement needed)	\$20-\$50 (if replacement needed)	Toyota Genuine / Mitsubishi, Bando (OEM suppliers)	Prius drive belt inspection, Prius accessory belt replacement	<input type="checkbox"/>
III. Brake & Tire System	Brake System Inspection	Inspect pads, rotors, lines, and hoses for wear or damage. Priuses are light on brakes, but age matters.	N/A (inspection only)	\$0 (inspection only)	N/A	Prius brake inspection, Prius rotor pad check	<input type="checkbox"/>
III. Brake & Tire System	Brake Fluid Flush	Drain old brake fluid and refill with new. Prevents moisture absorption and maintains braking performance.	~1-2 Liters (or 1-2 quarts)	\$15-\$30 (for fluid)	Toyota Genuine DOT 3 / Any high-quality DOT 3 (or DOT 4 for higher boiling point, if desired)	Prius brake fluid flush, Prius master cylinder bleed	<input type="checkbox"/>
III. Brake & Tire System	Tire Rotation & Inspection	Rotate tires for even wear; Check pressure and inspect for damage/wear patterns.	N/A (service only)	\$0 (often included with tire purchase)	N/A	Prius tire rotation, Prius tire inspection	<input type="checkbox"/>
IV. Suspension & Steering	Suspension Component Inspection	Check struts, shocks, and all suspension bushings for wear, leaks, or degradation. Age affects rubber components.	N/A (inspection only)	\$0 (inspection only)	N/A	Prius suspension check, Prius strut inspection	<input type="checkbox"/>
IV. Suspension & Steering	Steering Component Inspection	Inspect tie rod ends, ball joints, and steering rack for play or wear. Ensures safe and precise steering.	N/A (inspection only)	\$0 (inspection only)	N/A	Prius steering linkage check, Prius ball joint inspection	<input type="checkbox"/>
V. Plug-in Specific & Electrical	Charging Port Inspection	Visually inspect vehicle's charging port for damage, corrosion, or loose connections.	N/A (inspection only)	\$0 (inspection only)	N/A	Prius Prime charging port repair, Prius Plug-in charge port issue	<input type="checkbox"/>
V. Plug-in Specific & Electrical	Charging Cable Inspection	Inspect your personal charging cable for any damage, fraying, or exposed wires.	N/A (inspection only)	\$0 (inspection only)	N/A	EV charging cable inspection	<input type="checkbox"/>
V. Plug-in Specific & Electrical	Cabin Air Filter Replacement	Install new cabin air filter. Improves air quality inside the vehicle.	1 Filter	\$15-\$35	Toyota Genuine / DENSO, FRAM, Bosch	Prius cabin air filter change	<input type="checkbox"/>
V. Plug-in Specific & Electrical	All Lights & Electrical System Check	Confirm all exterior (headlights, tail lights, blinkers) and interior lights are functioning correctly.	N/A (inspection only, bulbs extra if needed)	\$0 (inspection only, bulbs extra if needed)	N/A (Bulbs often Stanley, Koito, or Philips OEM)	Prius light bulb replacement, Prius electrical system check	<input type="checkbox"/>
V. Plug-in Specific & Electrical	Wiper Blade Replacement	Install new front and rear wiper blades. Essential for clear visibility.	2 Front, 1 Rear Blade	\$25-\$50 (for a set)	Toyota Genuine / Bosch, Rain-X, Michelin, Trico (popular aftermarket)	Prius wiper blade replacement	<input type="checkbox"/>
VI. General Inspection & Fluids	All Fluid Level Checks	Check power steering fluid (if applicable, most Priuses are electric), windshield washer fluid, etc.	As needed (e.g., 1 gallon washer fluid)	\$0-\$10 (for top-offs)	N/A (use appropriate fluid for specific needs, e.g., standard washer fluid)	Prius fluid check locations	<input type="checkbox"/>
VI. General Inspection & Fluids	Undercarriage Inspection	Look for any signs of leaks, rust, or damage to the exhaust system or other components.	N/A (inspection only)	\$0 (inspection only)	N/A	Prius undercarriage inspection, Prius exhaust leak check	<input type="checkbox"/>
